# EUROPE INSIDE OUT: a 2024 Summer School unlike any other

With its exciting range of options and its setting in one of Europe's greatest cities, KU Leuven's EU summer course truly stands out from the crowd. There is a multidisciplinary common part during which students are introduced to a broad range of perspectives on Europe. In addition to the core program, students choose 2 majors, each representing about 8 class hours. These majors are 'doing business with Europe(ans)', 'politics and policies in Europe', 'social and cultural interactions' and 'innovation and entrepreneurship in Europe'.
